

WHAT'S IN IT FOR YOU?

COMMUNITY

Build friendships and business networks throughout the supply chain while operating in a global marketplace.

EXCITEMENT

Enjoy the dynamic and fast-paced business of working with highly perishable products.

FINANCIAL SECURITY

People will always eat fresh fruits and vegetables, making the \$11 billion Australian and \$5 billion New Zealand fresh produce industries a wise career choice. In Australia, there are almost 24,923 fresh produce enterprises in operation—all of them need smart, motivated people like you to drive continued success.

OPPORTUNITY

Owners and top executives make great mentors and are readily accessible in this close-knit community, so you can learn and showcase your skills.

SATISFACTION

The fresh produce industry is at the heart of health and wellness, ensuring that people have access to nutritious, fresh, good tasting food choices. You can be proud that you are playing a vital role in feeding the world.

WHAT ARE THE BENEFITS?

ADVANCEMENT OPPORTUNITIES

Owners and top executives make great mentors and are readily accessible in this close-knit community, so you can learn and showcase your skills. There are significant opportunities for advancement into key leadership roles throughout the produce supply chain for individuals with a strong work ethic, training and education.

SUSTAINABILITY

Produce businessmen and women find it professionally and personally rewarding to work with products that are healthy, earth-friendly and make a difference in the lives of others.

MOBILITY

The fresh produce industry is remarkably mobile, with talented individuals in demand throughout the world. There are also numerous opportunities to undertake professional development at industry conferences, trade shows and field days both locally and internationally.

DIVERSE ENVIRONMENT

The complex produce supply chain includes growers, distributors, brokers, retailers, foodservice distributors and foodservice operators who work together everyday to bring fresh fruits and vegetables to the consumer.

COMPETITIVE SALARY

Salaries vary significantly based on duties, education, geography, skills, and qualifications. Entry-level salaries and compensation packages are highly competitive.
